

Training Solutions in Theology

Presented by the Department
of Centre for Contextual
Ministry

Overview

Theology explores faith and religious beliefs while addressing social issues within communities. It delves into doctrines, rituals, and existential questions, interpreting how religion influences societal norms and ethical values. Beyond spiritual aspects, theology examines the societal impact of religious practices and promotes justice and communal harmony. It facilitates dialogue, understanding, and positive social change, highlighting the role of faith-based initiatives in creating a more inclusive society.
